

# Wine Selections

Along with our enhanced wine lists, we are pleased to offer two new Wine Selections that guests may purchase in addition to our house selection of wines. Featuring Australian and New Zealand wines, and French champagne, these packages showcase contemporary choices of wine that are perfect drinking in 2020 and 2021.

Our wines have been hand-selected based on the best cultivars that Australia and New Zealand have to offer - Sauvignon Blanc from Marlborough in New Zealand, full-bodied reds from the Barossa Valley and McLaren Vale - as well as special bottles that we have collected on our journeys in New Zealand and Tasmania. Our wine selections also give you access to our cellar collection, which the Purser can advise on during your cruise. As an Australian company, we are proud to showcase Australia on the plate and in the glass.
