

# PASSAGES AT SEA

Settle into the rhythm of the ocean on our newly released Passages at Sea voyages.

As our ships undertake long ocean crossings, use the opportunity to unplug and disconnect at sea. Spend leisurely days on a deckchair nursing a coffee, reading a book, or simply admiring the magnificence of a sunset at sea. Enjoy full-service meals and warm Australian hospitality throughout. Step out on deck after dinner to admire the night sky, untainted by light pollution. If you are in need of company, take advantage of our open bridge policy or observe crew activities on a working vessel. Throughout the voyage, you will be able to participate in an educational program hosted by onboard guest lecturers with subjects including history, culture, nature and ocean navigation.

Our Passages at Sea collection of voyages are the perfect retreat from the everyday.
